

Racial Profiling and Asset Forfeiture (3257) Identity Crimes (3277)

The Lower Rio Grande Valley Development Council Regional Police Academy and Training Center is pleased to announce the cohort of Racial Profiling (3256), Asset Forfeiture (3255), and Identity Crimes (3277). This cohort of courses is one of the proficiency requirements for peace officers to attain their intermediate proficiency certificate.

Please note that even though Racial Profiling can be reported as course 3256 and Asset Forfeiture as course 3255, we will report the combined courses under 3257 as per TCOLE reporting numbers, which means participants will be required to take written tests for both Racial Profiling and Asset Forfeiture to receive credit for 3257.

Identity Crimes will be reported separately as 3277 and participants will be required to take a written test for that course as well. The minimum passing score per course on the tests is 80%.
